

Bedminster Elementary Student Directory Information

New Parents:

Please visit our website at www.bedminsterptg.com. Click on the student directory tab, click on login/register, and click register. Create an account for your family and then add student(s). The PTG will then approve your account, an email will be sent to you from the PTG and you will be able to access the directory.

Returning Parents:

Please visit our website at www.bedminsterptg.com to update your student(s) class information. Please log in to your account, click on the student(s) name to edit their class information, and then click save. You also can edit address, phone numbers, and email on this screen.

The student directory is used to help parents and student(s) connect with others in their grade and class. You will also find a FAQ tab located under student directory. After your registration or update is approved you then can access the entire directory. Please note only student(s) that are registered can be seen in the directory.
